Did you know you can always read all the vignettes for free on the website? You can even download the source file for this second season of RV from <https://ko-fi.com/jectoons>, also for free!

If you chose to buy this e-book, that means you are amazing and interested in supporting my free culture ventures, and for that I am infinitely grateful.

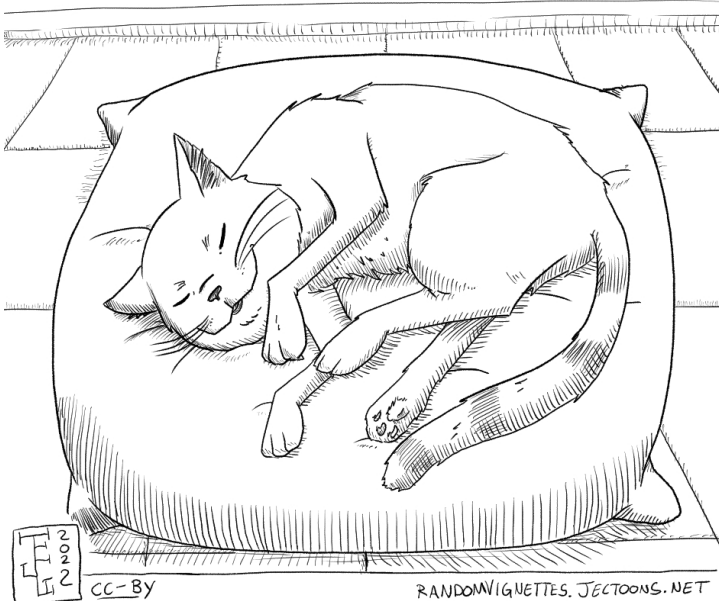

I encourage you to share this book however you please and to create derivative works! Just don't forget to link back to the website so that more people can check it out.

Thank you.
